DISCIPLE COVENANT CONFERENCE

February 24 & 25
 Macon Centerplex

Hello, Beautiful People of South Georgia:

Are you longing for fellowship, purpose, direction, or healing in your Christian walk? If the answer is yes, the Disciple Covenant Conference (DCC) will help build Bible-based values and continue your improvement to become the best disciple of Christ you can be.

The DCC is an experience where clergy, staff and laity come together to develop and improve personal and congregational covenants based on the timeless values of our faith. A covenant is an agreement made with God and others to change your direction and improve your work and life. It is critical that we plan and set goals while striving to achieve our endeavors.

This experience is not "just another program." Can it be used as a program? Yes. The values of the faith belong to all of us as Christians and just like an automobile, you need some basic things like tires, a steering wheel, an engine, a transmission, etc. Prayer, for example, should be a part of every disciple's and congregation's plan.

I look forward to seeing you again at the DCC as we explore the timeless values of the faith and Covenant to strengthen ourselves and our churches.

*With Love, Your Bishop,
 James R. King, Jr.*
